

Registrations Disabled

Chris Russell, Tuesday 04 April 2006 - 01:42:43

I've decided to disable registrations for the time being, while I work out a new system for handling new members. At the moment, I do not have an ETA for completion of the new system. There is, a workaround, however. If you'd still like to register, please send an email to **link**, titled "registration". Please include your desired username and real name, and at least a paragraph about why you'd like to join.

Please wait at least 7 days for a response. I will try to be much, much faster than that, but sometimes I do get busy.

Thank you for your understanding. I apologize for any inconvenience.
